

# YOUR JOURNEY WITH CHRIST

## Hear Romans 10:14

Romans 10:14 asks how can people believe in Jesus if they have never heard about him. In the Bible, “hearing” often means more than just hearing the words, but also understanding them. Here at Columbia Community we believe that starts at about the age of 7 or 8. Hearing the “gospel” of Jesus is the starting point for everyone. The gospel is the good news of Jesus. We want to make sure you know what the message of Jesus is, so we’re going to break it down.

# The Gospel Breakdown

1. We all have sinned. Romans 3:23
2. Sin separates us from God. Romans 6:23
3. God doesn't want to be separated from us. 2 Peter 3:9
4. Jesus paid for our sins. Hebrews 9:28, 2 Corinthians 5:21, Romans 5:8
5. We can have a relationship with God through Jesus. John 14:6, Romans 6:23b
6. We have to be obedient. Acts 2:38

## Believe John 3:16. Romans 10:9. John 20:31

---

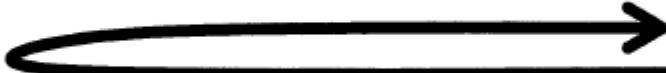

Once you have heard, you have to have faith in God. Hebrews 11:1 tells us that faith is being sure of what we hope for and certain of what we cannot see.

How Jesus responds to Thomas who doubted. John 20:19-29

## Acts 2:3 & 3:19 Repent

---

Repentance happens when a changed heart changes your life. It's a U-Turn or a 180°! You were walking away from God and now you're walking toward God.

**Sin**  **God**

**Confess** Romans 10:9. Matthew 10:32.  
Philippians 2:9-11

---

At some point, as you give your life to Jesus, you need to confess what's going on in your heart. You say what you believe. You admit it.

Confess to God:

Your love, ...your sin, ...your need for Him, etc.

Confess to people:

That you believe and want to follow Jesus.

# Be Baptized Romans 6:1-4 & Acts 2:38. Matt. 28:19-20

---

Being baptized is taking all that you have going on in your heart, and doing something about it and being obedient to God. It is an outward sign of what's inside.

When we are baptized, we are buried like Jesus. Our old self dies. We raise to new life...forgiven of our sins... given the gift of the Holy Spirit.

The early church used to give new clothes to people getting baptized as a symbol of the new life they would now live.

At Columbia Community we practice “immersion” which is a fancy word for dunking. When the early church baptized, it was in this way and it points us to being buried with Jesus.

## Live the Christian Life Luke 9:23. Ephesians 5:10

---

Living your life for Jesus is the best thing you're ever going to do. It will not, however, be the easiest. When you “pick up your cross” everyday, that means that you choose to live for Him everyday– and not for yourself!

God doesn't expect you to do this on your own. He gives us the gift of the Holy Spirit! Acts 2:38, 1 Corinthians 3:16 & 6:19.

God's Spirit that lives within you will help you do many things.

Three of those things are easy to remember with the letter “C”.

Comfort... He will help you in your troubles (may not make them go away, but comfort you through them).

Counsel...He will help you make decisions in your life when you ask and seek the answer.

Convict...He will tell you in your heart when you are doing the wrong thing. Convicting you to do the right thing and maybe even make a wrong right.

### **Growing Up!** This is the start of your Journey **With** Christ.

You will continue to grow as a Christian. This decision you make now is based on what you know and feel now. But as you grow, this decision will mean more and more. You will continue to grow by praying, reading God's word, going to church, serving others and much more. You will desire to do good and help others, not because you have to, but because you now desire to Honor God and to know Him more.

The fruits of the Spirit are listed in Galatians 5:22-23. What are the ways that a person who lives by the Spirit acts?

## Let's give this some thought...

Now what? Ask yourself some questions using the things we learned...

1. Hear—Have I heard and understand the gospel?
2. Believe —Do I believe in God and in His son Jesus? Do I believe that He is the only way to God?
3. Repent—Am I ready to live my life walking toward God and not away from Him toward sin?
4. Confess—Can I confess that Jesus is the Lord and that I need Him to save me from my sin?
5. Baptize—Am I ready to bury by “old self” and raise to a new life and make Him my king?
6. Live a Christian life—Am I ready to live everyday for Jesus? Am I willing to develop good behaviors that will help me grow in my faith and relationship with Christ?
