

Group Life Childcare Reimbursement Form

The reimbursement program is intended to bless families by removing barriers to experiencing group life. This reimbursement is an option to help those who would otherwise not be able to participate.

We want to make Group Life as easy as possible for couples and single parents to attend. That is why Columbia Community provides a reimbursement option for your childcare expenses (for children under the age of 13). You pay your babysitter, and our church will pay you back a flat rate per child. We hope childcare reimbursement makes your Group Life experience possible and more enjoyable.

Please Note: You must be in a registered member of a C3 Group who reports regularly using our C3online program. Both spouses or single parent must show meeting attendance for the requested reimbursement day.
