

INTRODUCING C3'S NEW APP!

Fast track your app download! Pick one below:

1. Text 'C3Tcapp' to 77977 on your phone. You will be texted a link to download the app.
2. Visit www.C3TriCities.com/app for a link to download and instructions.
3. Scan the QR code on the right to be taken directly to your phone's app store.

The ANDROID download experience -

Search for C3TriCities in the Google Play store (or follow one of the fast track options above).

Choose your location preference. We recommend 'While using the app.'

Select which groups you would like to receive notifications from (you can always adjust these notifications later).

Set up your C3 profile. After clicking 'Create Profile' follow the instructions to complete set-up.

The IPHONE download experience -

If you have C3's old app already downloaded on your phone, start by going to the App Store. You may only need to update to get the NEWEST version of C3's app.

If you don't have C3's old app downloaded, follow the instructions below.

Search for C3TriCities in the App Store (or follow one of the fast track options on the previous page).

Click 'Allow' so C3 can send you notifications through the app.

Select which groups you would like to receive notifications from (you can always adjust these notifications later).

Set up your C3 profile. After clicking 'Create Profile' follow the instructions to complete set-up.

There is so much to discover with C3's new app. Explore around and see what you can find! Visit C3TriCities.com/app for more information about what the app has to offer!
