Dear Sponsor,

Once again, it is a blessing and a great joy writing to you. Our prayer is that you and your family will be in good health and blessed.

We want to let you know that the families, the children, the volunteers, and the personnel at our Child Development Center (CDC) are very grateful for your generosity because you sent a special gift in the amount of Q.112,985.42 in September 2021. We will be using these funds in three different phases. We will invest in three different projects.

**Phase 1.** During the first phase, we are starting by buying material for plastering our classrooms, cement, and mortar. We are also going to buy doors and windows and we are going to install ceramic tile in our classrooms.

**Second Phase**. We will continue investing the gift that you sent to the CDC to complete the construction of our bathrooms. We are going to build a septic tank and we are going to buy 2 water containers to store water for the bathrooms, as well as tubing accessories.

**Phase 3**. We are planning on remodeling and expanding The older classrooms and we're also going to change the roofing and the flooring. This is so the beneficiaries of the CDC will be in an adequate space.

We are very grateful because we have received this gift. We consider that this will be a true change and very beneficial for us and also for the beneficiaries so they can enjoy a pleasing space so they can learn about the word of the Lord. The members of the Church Partner are very grateful for your support. The pastors are very grateful for the support that you have given us. We are also grateful to Compassion International because they have taken us into account and they have understood the need that we had because in our area there are many families in need. By being part of this ministry, we are able to share the support that you have sent. We have no words to thank you. We just want to say thank you, dear sponsor. We love you.

We are grateful to God because we know that you will receive a reward from Him because you have blessed the lives of so many people. I am attaching pictures of the materials. We're also sending you pictures of the new facilities of the Sinagoga GU0550 Child Development Center (CDC). Now, we will be able to tend to our beneficiaries in a more comfortable and appropriate way.

Goodbye. We hope that our Good God will watch over you and will keep you and your loved ones safe during the pandemic. We pray so you will always be well and in good health.

Dear Sponsor, It is a blessing and a joy to address you. It is our prayer for you and your family to be healthy and blessed.

We want to let you know that the families children, volunteers, and group of officials in our child development center (CDC) are very grateful for your generosity shown by sending a special gift in the amount of Q18,769.50, which we received in October. These funds will be used for the reopening of our project. We used it to purchase 120 square meters of ceramic flooring, 51 bags of adhesive for floors, 8 bags of grout, 1 bag of separators, 3 boxes of tiles, and 5 pounds of white porcelain. These materials will be installed in the kitchen and will help to maintain hygiene in the preparation of food. They will also be installed in the CDC's administrative office area. In addition, cabinets will be purchased for the kitchen for storing food and kitchen utensils.

We thank God because we know that you will receive your reward from Him for blessing the lives of so many people. It is a big help to us to have your help in these very difficult times caused by the pandemic. All of the changes will be made for the purpose of providing services comfortably and appropriately to our sponsored children.

Good-bye. We hope that our good God is watching over and protecting you and your loved ones in these pandemic times. We pray for you to always have well-being and good health in your lives.

### Dear Sponsor,

Once again, it is a blessing and a great joy writing to you. Our prayer is that you and your family will be in good health and blessed. We want to inform you that the families, the children, the volunteers, and the Personnel of our Child Development Center (CDC) are very grateful for your generosity because you sent a special gift in the amount of Q.16,602.30. We received it in October. With that gift, we bought two hutches for the kitchen and to use in the baking workshop, which is exclusively for the CDC. We also remodeled two classrooms, which will contribute to tend to the beneficiaries in a better way. Lastly, we bought three file cabinets that will be useful to save the beneficiaries' files. This is a great blessing for the children, for the families, and for the volunteers because the hutches will help us to have a better space when preparing food. It will also be helpful in the baking workshop. The remodeling of the classrooms will be very beneficial for the children because they will be tended to in a better way and in a more comfortable way so they can receive classes. The file cabinets will be helpful to reduce space within the CDC's facilities; this will allow us to have more space.

We are grateful to God because we know that you will receive a reward from him because you have blessed the lives of so many people. I am attaching pictures of the material, the items, and of the equipment that we bought. We are also sending you pictures of the new facilities that have been built so our beneficiaries will be more comfortable.

Goodbye, we hope that our Good God will watch over you and will keep you and your loved ones safe during the pandemic. We will pray for you so you will always be well and in good health in your life.

Dear Sponsor,

I send you greetings on behalf of the volunteering personnel and on behalf of the children who are beneficiaries. I hope that God's blessings will be poured on your life and all your family.

The purpose of this letter is to thank you for the special gift that you sent to our Child Development Center (CDC) in August. We received Q.16,602.30. We will be using this gift to reopen activities at the CDC. With this gift, we bought a Mabe (brand) stove with an oven, a Black & Decker 9 liter pressure cooker, a Canon multifunction printer, a Hamilton Beach coffee maker, 49 big desks, a teacher's desk, and a Yamaha portable keyboard with 61 keys. Everything that I mentioned above will be useful and beneficial for the 237 children that are part of our CDC. This will be used in the kitchen area, in the office, and in the classrooms. Thanks to the support that we have received through the Compassion International Ministry and from the sponsors, such as yourself, we have been able to accomplish our dreams of improving and have what we need so each one of the CDCs will function properly.

Our desire is to encourage you to continue sponsoring and benefiting children. Once again, I want to thank you for your support and we pray to the Lord for your life, for your family, for your job, or for your business, which is your source of income. May he continue pouring abundant blessings in each area of your life.

Goodbye. I want to share with you the words in 1 Corinthians 15:58. It says, "Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain.

It is a blessing and a joy to address you once again. It is our prayer for you and your family to be healthy and blessed.

We want to let you know that the families, children, volunteers, and the group of officials in our child development center (CDC) are very grateful for your generosity in sending the special gift in the amount of Q5,159.48 in September. We used it to purchase 400 pounds of commercial iron, 709 pumice stone blocks measuring 14 X 20 X 40, and 4 ounces of 2" nails. These materials will be used to add a second level to the kitchen in the CDC so we will have enough space when the sponsored children return to their classes in person. This will also benefit our church. The children will be in comfortable rooms and the volunteers will have more space for teaching their classes. We thank God, because we know that you will receive your reward from Him for blessing the lives of so many people. The construction is for the purpose of providing services comfortably and appropriately for your sponsored children. Thank you for your assistance.

Good-bye. We hope that our good God is watching over you and protecting you and your loved ones during this pandemic. We pray for you to always have well-being and good health in your life.

Thank-You Letter

Dear Sponsor, It is a pleasure to be able to send you greetings in this letter and to address you. It is our desire as a church for you to be healthy and enjoying the rich blessings that God gives you every day.

The reason for this letter is to thank you, as the director representing the sponsored children, volunteers, and group of officials from the child development center's (CDC) church, for the gift you sent us in the amount of Q77,913.94. This gift was used to purchase construction materials, computer equipment, cooking implements, and metal doors for the bathrooms and kitchen. This investment was made keeping in mind the need for adequate services for the children in comfortable rooms and pleasant spaces where they can receive services in the best way possible.

This gift will allow us to complete the construction of the kitchen for preparing food and providing good services to the children. The computers that were acquired will be used in the office area for the tasks for which they are required for documenting the sponsored children's information.

I thank God for what you have provided for us. It will be a great blessing for the church and the children who are a part of the program. May God repay you many times over for what you have shared for the children's wellbeing. I do not doubt that you will receive your reward from God. I am attaching photos as evidence of the investment.

Good-bye. I am very grateful, and I am sending a great gesture of gratitude for the gift you sent. May God watch over your life, your work, and your whole family. We will be praying for you so there will always be peace and blessings in your life. Until soon.
