

# C3 TRI-CITIES ANNUAL REPORT 2021

*"God leading me to C3 has been a blessing. We're a large church that let me blend into the crowd at first so I wasn't overwhelmed. Getting involved in small groups and fellowship with people from those groups has strengthened me. I'm excited to see where God is leading me."*

To know without any doubt that a spot has been reserved for me in Heaven and He delights in me.
