

"Is God Fair?"
Pastor Mark
5.29.22

Habakkuk 1:2-3

Habakkuk 1:1

Habakkuk 1:4

Habakkuk has 3 major problems with God:

- 1) God doesn't seem to CARE.
- 2) God isn't doing much when He COULD.
- 3) What God is doing doesn't seem FAIR.

When something bad happens, we often feel like our pain is UNJUSTIFIED.

- But there's 1 major problem with this defense: I'M NOT GOOD.
- But the good news is GOD'S NOT FAIR.
- Psalm 103:10-12
- God is JUST, but He's not FAIR!
- Romans 6:23

Bad things happened to JESUS, so GOOD things can happen to us!

When things happen that makes us question, "If God's Fair", we go to 1 of 2 ways:

- 1) We run TO GOD to help us during our time of doubt. Or
- 2) We get mad and run FROM GOD.

James 1:2-4

Mark 9:21

When we doubt God's fairness, remember:

- Habakkuk Chapter 1, we're WONDERING.
- Habakkuk Chapter 2, we're WAITING.
- Habakkuk Chapter 3, if we continue to stick with God, we'll come to a point that no matter what we see going on around us, we will WORSHIP.
