We find all kinds of reasons for why we can't have spiritual conversations:

- 1) I can't do that because my life isn't a good enough example.
- 2) I can't share Jesus because I'm not very good at it.
- 3) I can't talk about my faith because I wouldn't know what to say.
- 4) I can't tell people about Jesus because I wouldn't know the answers to their questions.

You don't lead people to Jesus, **GOD DOES!**

Do you ask God for divine appointments?

Who in Heaven is going to thank **YOU?**
