

“Does God Punish Sin?”
Questions for God series

Definition of Sin: Sin is a transgression of **DIVINE** law.

- We usually like this word instead: **MISTAKE**.

A Mistake is **AN ERROR IN ACTION**, opinion or judgment caused by **POOR REASONING**.”

If I'm a **SINNER**, then trying harder is **NOT** going to get it done.

If I'm a sinner, I need a **SAVIOR!**

Culture may tell you you're just a **MISTAKER** who makes mistakes, but we know it's deeper than that. We're a **SINNER** who sins.

- Matthew 5:17-43

We are not Mistakers, we are Sinners!

Jesus had 2 messages for us.

Message 1: You're a **SINNER** & you're in **TROUBLE**.

Message 2: God loves **SINNERS** & sent a **SAVIOR** on their behalf.

Message 1: You're hopelessly **LOST!**

Message 2: God sent **ME** to **FIND YOU!**
