

The Well We Drink From

"Headlines & Heartlines" Sermon Series
Pastor Aaron Olson
September 25 & 28, 2025

1. What "wells" do people today commonly drink from that leave them empty?
2. How does Jesus' offer of living water differ from the temporary satisfaction of the world?
3. What distractions or "cracked cisterns" compete for your attention?
4. How have you experienced Jesus redefining your identity, like the Samaritan woman?
5. What practices help you stay close enough to hear God's whisper?
6. In what ways does the world's noise drown out God's voice in your life?
7. How can we help one another return to the true source when we drift?
8. What would it look like this week for you to drink more deeply from the well of Christ?
