### Modesty:

- One-piece and two-piece swimsuits are both okay.
- If wearing a two-piece, please choose a high-waisted style with full coverage on the backside.
- Swimsuits should fit more like swimwear than undergarments.
- Please choose high-neck tops and avoid deep V-neck or low-cut styles.
- Swim trunks should be mid-thigh length.
- Please avoid overly tight or fitted swimwear.

As we prepare for camp, we want to create an environment where everyone feels comfortable, respected, and able to fully enjoy the week together while honoring the Lord with how we present ourselves and care for our brothers and sisters in Christ. Please wear clothing that covers from the shoulders to mid-thigh, keeps undergarments covered, and avoids deep V-necks, low-cut, overly tight, or overly revealing styles. Thanks for helping us create a fun and respectful environment for everyone!

**We can't wait to see how God moves this year through kids at camp and our amazing volunteers! We know lives will be impacted, and many will grow closer to Jesus! See you soon!**
