Pastor Aaron Olson

August 16, 2026

1. What stood out to you most from this week's message?
2. What is one area of your life you need to let God build instead of simply asking Him to bless?
3. Where are you most tempted to believe that everything depends on you?
4. What responsibilities might you be carrying that God never asked you to carry?
5. What does it look like for you to work faithfully while still resting confidently in God?
6. How can seeking God's Kingdom first change the way you approach worry or uncertainty?
7. Who has God entrusted to you to encourage, guide, or invest in?
8. What would change if you measured your legacy by what you release rather than what you accumulate?
